Choose one printing page

US Letter	Page 2 · 8.5 × 11 in, landscape
A4	Page 3 · 210 × 297 mm, landscape

Set the printer to Actual Size or 100%. Use the printable side of clear film made for your inkjet printer. Let the ink dry as directed on the film package. The check line on each pattern page should measure 50 mm.

Decorate the clear outlines

Cut between the drawings to separate them. Apply a clear drying glue stick and press on small pieces of colored cellophane. Trim around the outside of each filled shape, then hold it up to a bright window.
