Check the size before cutting

Use Actual Size on US Letter or A4 paper. Turn off Fit to Page.

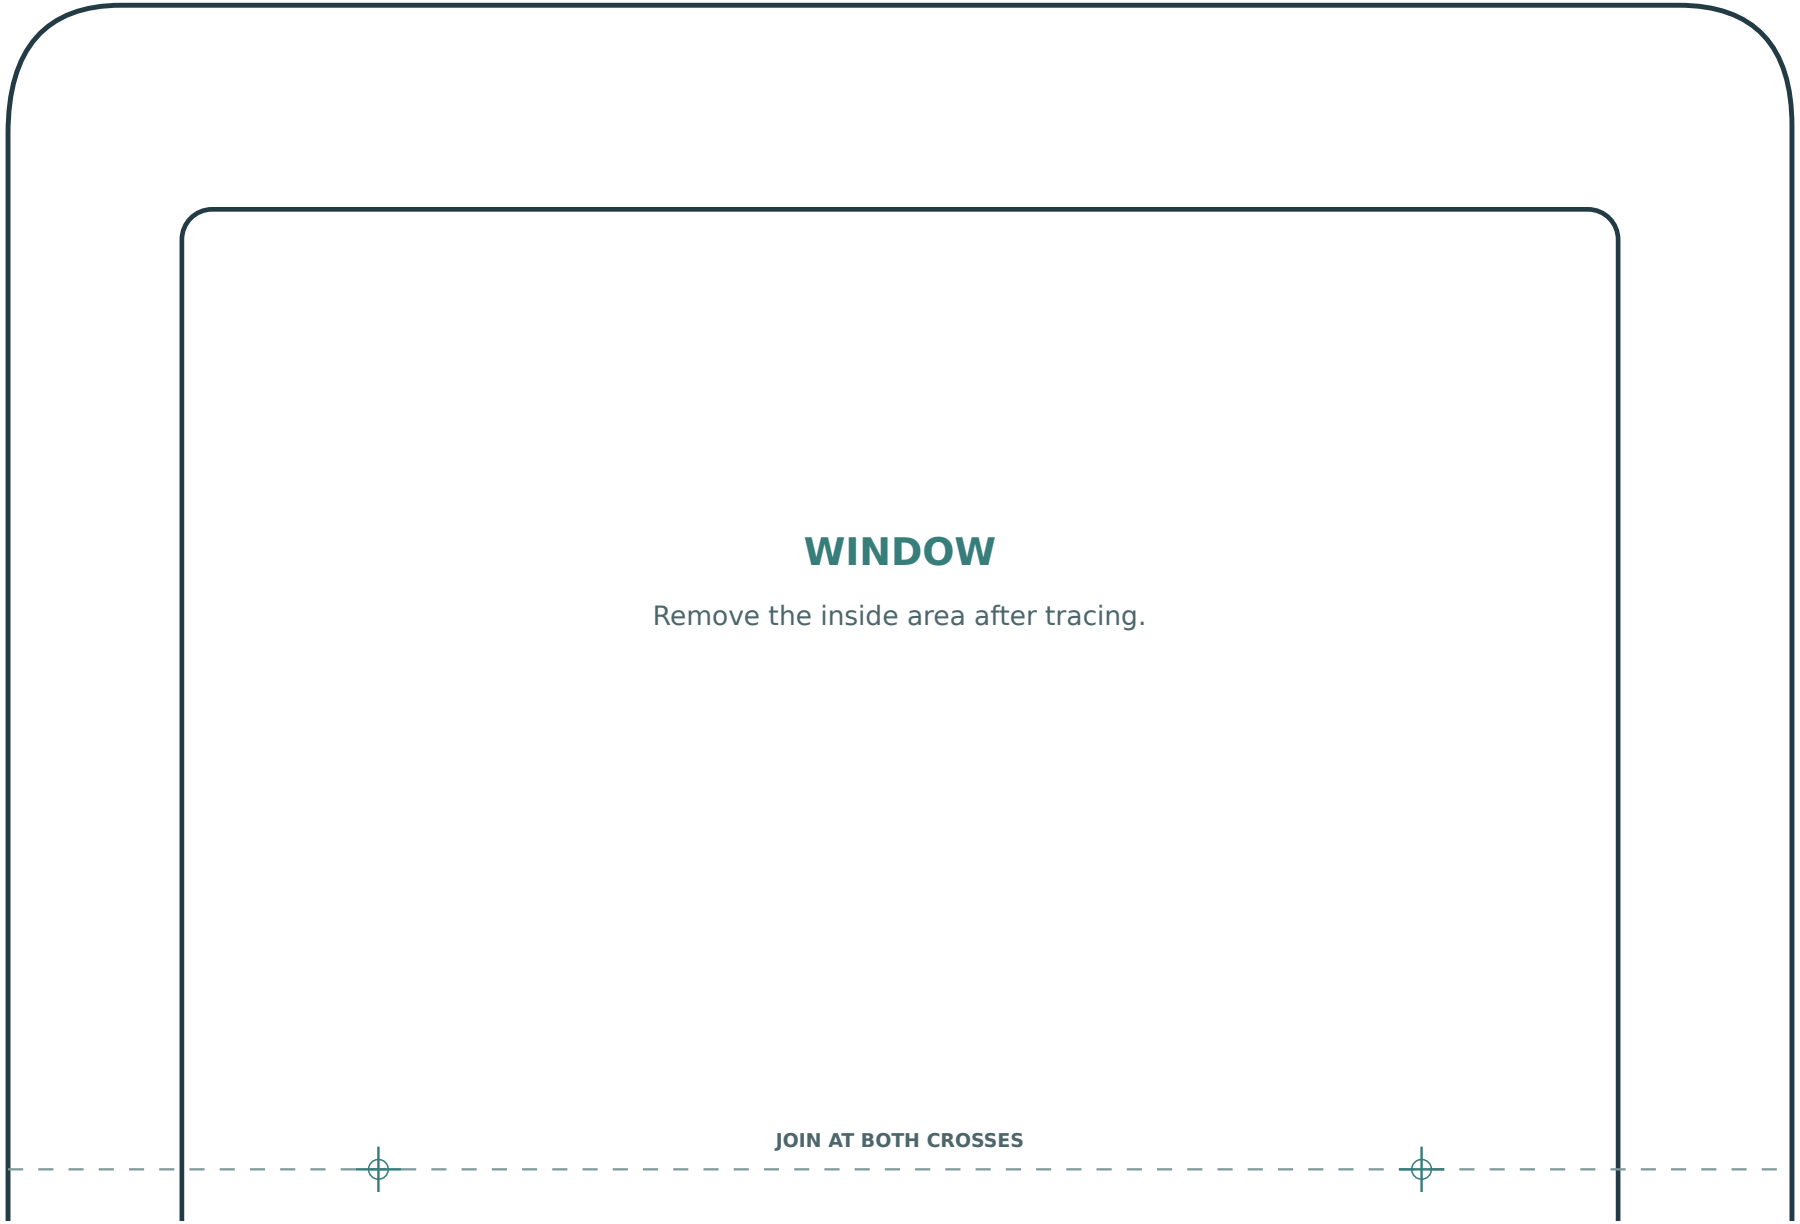

Allow landscape pages to rotate. Measure between the two end ticks.

50 mm / 1.97 in

Rounded frame / upper half

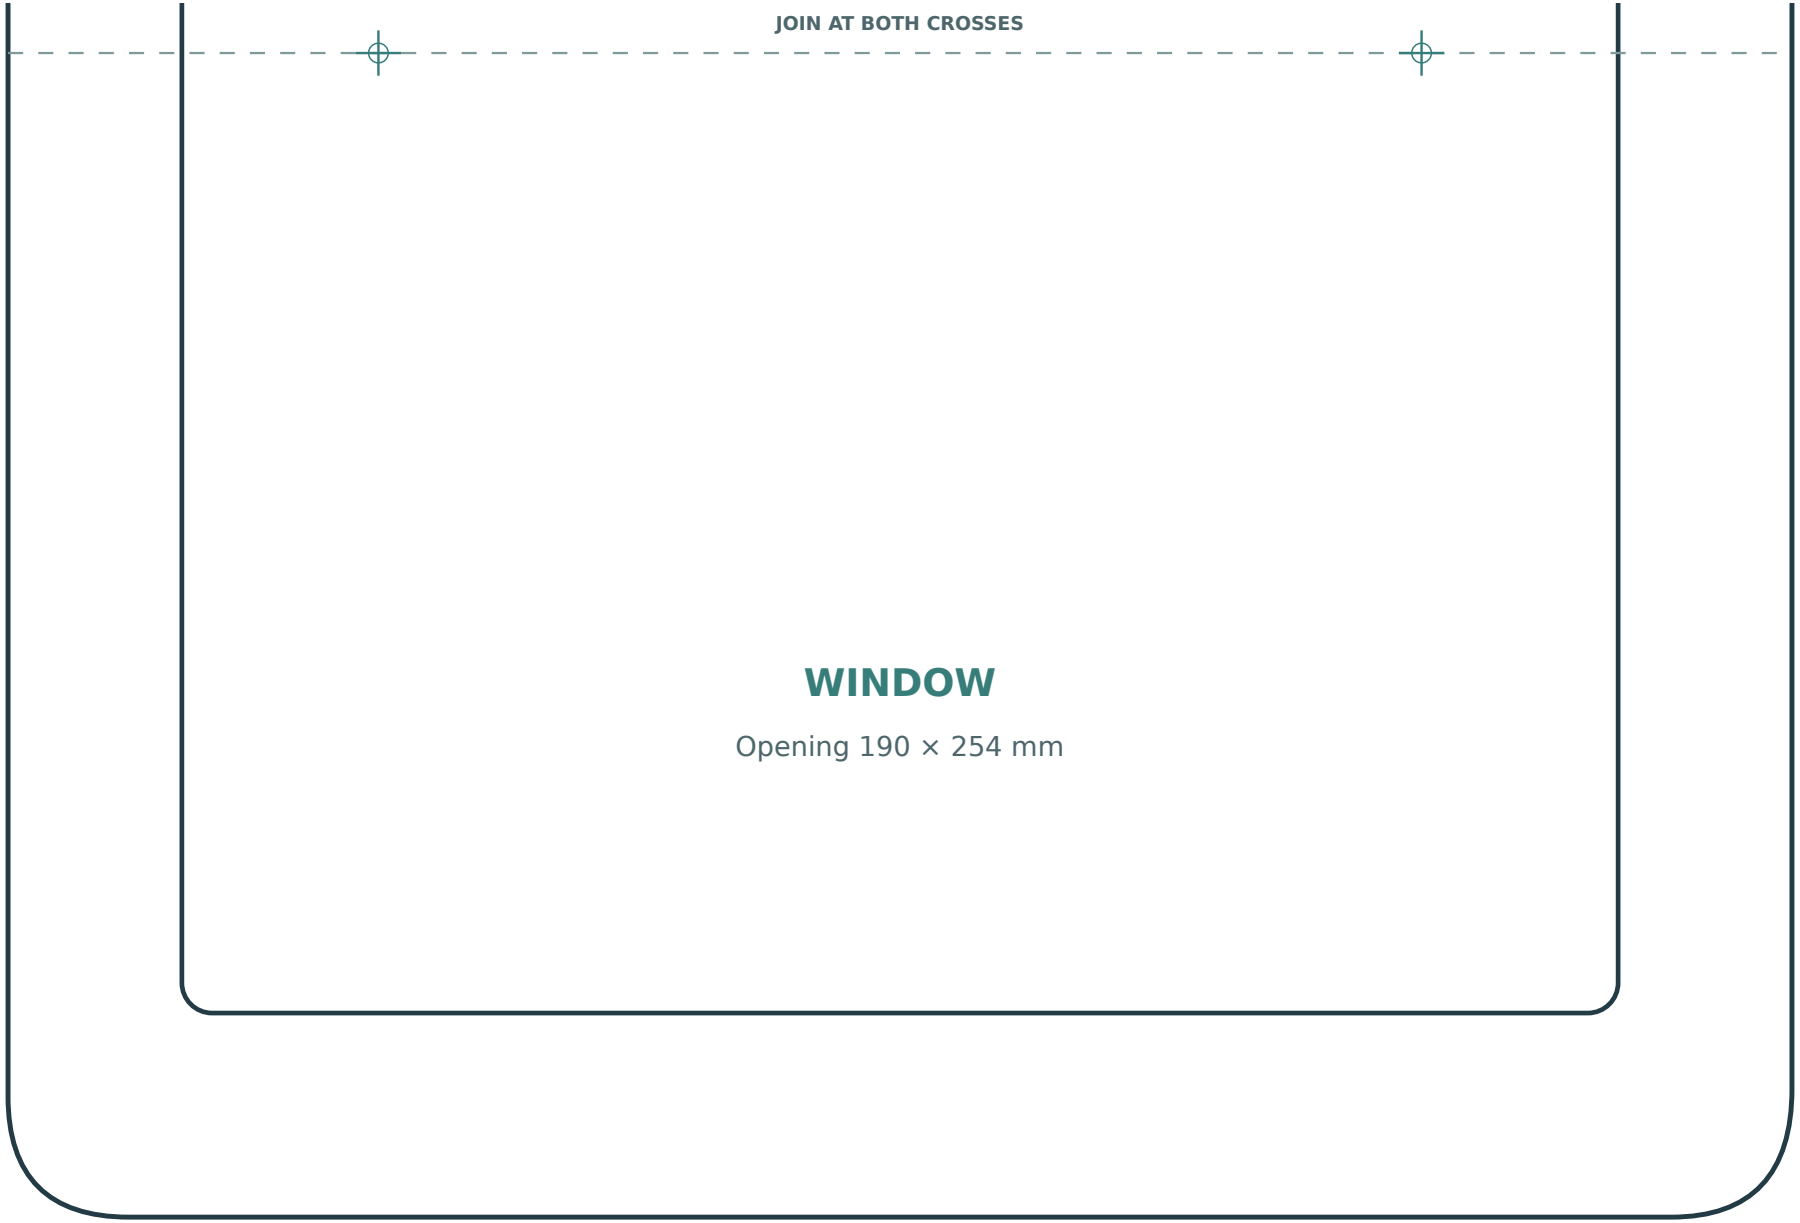

Use the matching half on the adjacent page. The frame fits around a portrait letter or A4 sheet.

Overlap the two halves at the crosses. Tape the pattern together, trace on poster board, then cut the outer edge and window.

Paper crayon bow

One full-color bow. Cut the four separate pieces on the solid dark outlines.

CENTER BAND

Form the bow

Curve each outside end of the long piece back to the middle, printed side out.

Glue the two ends at the back center. Wrap the narrow band around the join.

Angle the two printed crayon tails down and out behind the center band.

Pencil border and gingham trim

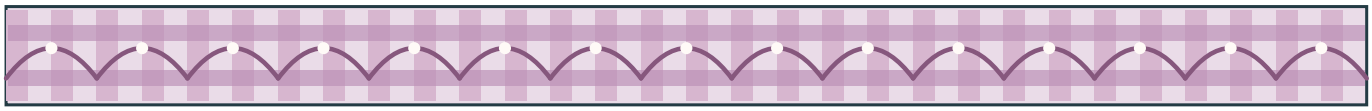

Print additional copies for all four sides. Cut each continuous strip around its outside edge.

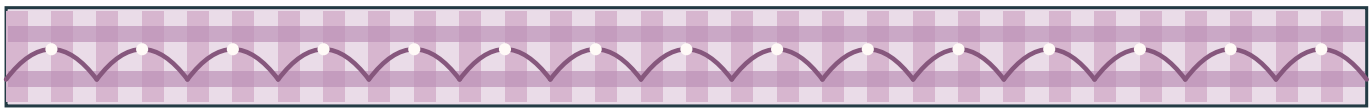

OUTSIDE ROW / Point the pencil tips away from the cork.

OUTSIDE ROW / Point the pencil tips away from the cork.

Two repeats per sheet

Each full strip adds 180 mm (about 7.1 in). Meet the flat ends with the pattern upright.

Run the purple gingham trim along the inside straight edge of the pencil row.

Acorn portrait backing

Cut around the outside silhouette. The pale rectangle is a placement guide for a photo.

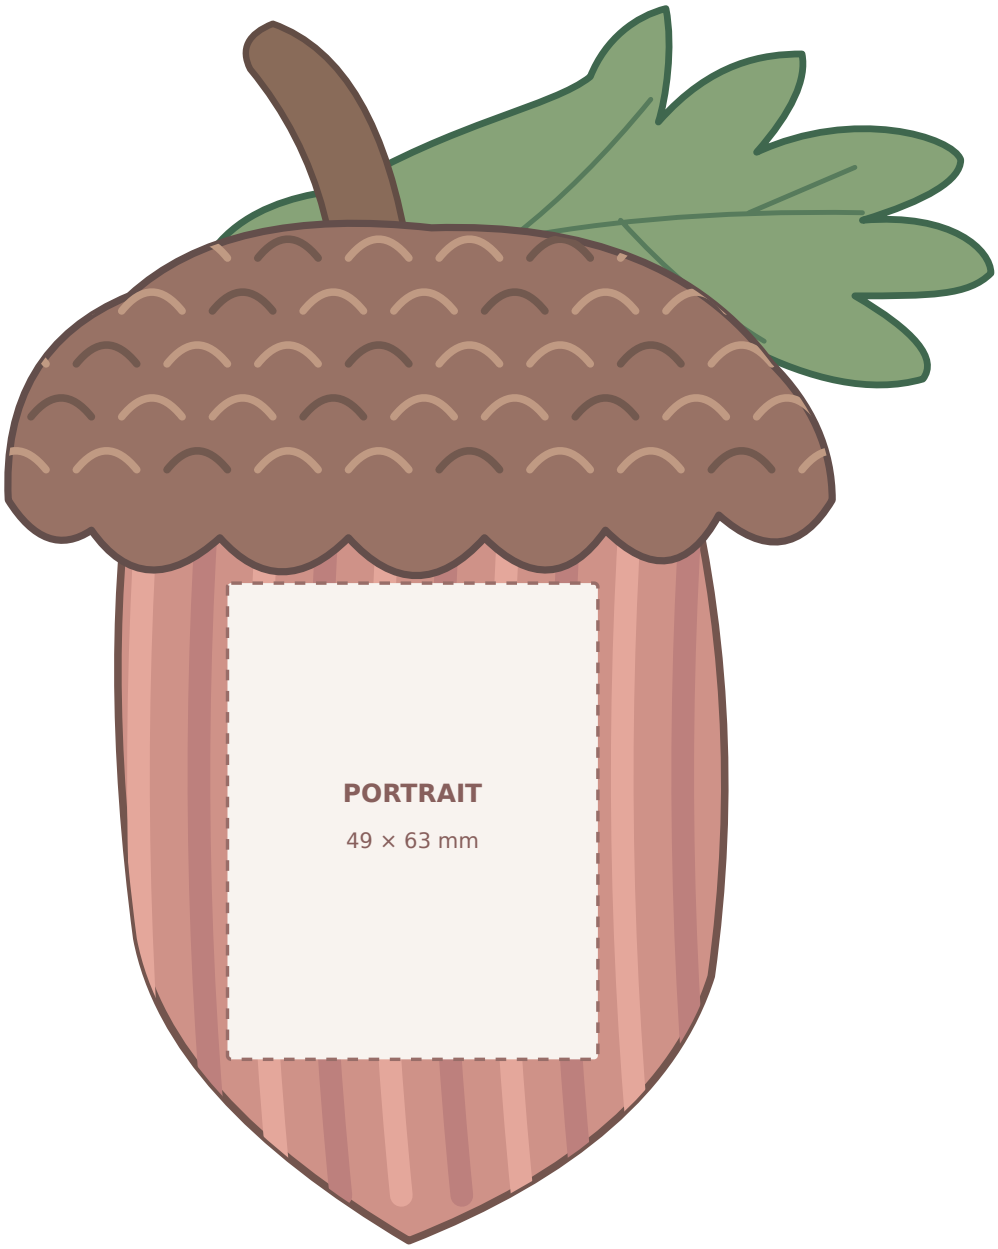

Photo placement

Use a portrait about 49 × 63 mm (1.9 × 2.5 in) to cover the pale guide on the nut.

The paper behind the photo stays intact. Print another acorn for each portrait.
